MEMORANDUM FOR: Executive Director-Comptroller

SUBJECT : Employee Board

1. At the last Deputies' Meeting it was agreed that an informal board would be constituted to develop the criteria and procedures for the handling of employee problem cases. This proposal developed from the paper submitted by Dr. Tietjen on the handling of maladaptive cases; however, it was agreed that the concept would be considerably enlarged over that proposed by Dr. Tietjen:

2. The Deputies have nominated the following personnel to constitute an informal board to develop criteria and procedures:

DD/I -   
DD/P -   
DDS&T -   
DD/S - 

25X1A9a

3. The above names are submitted for your approval. After the criteria and procedures have been developed and approved, the Deputies will most likely want to reconsider their nominees to serve on the future board.
